## Christ Church CE Primary Newsletter 5: 6th October 2017

### Message from Mrs Jones:

Thank you to everyone who supported our visit from **OFSTED** this week. The inspector spent the day in school visiting classrooms, speaking to staff, governors, children and parents, looking at children's work and checking our policies and procedures. We hope to be able to share the findings before half term. Everyone responded calmly and confidently in true Christ Church style.

Last Saturday we held a **fun run** organised by the PTA at New Fields, Clifton College. This was a new fundraising event which was very successful and well attended. The children were an inspiration - motivated to run as many laps as they could and some of them just kept going and going! It may have been the thought of the delicious homemade cakes on sale! Thank you to the team of parents who worked hard to provide a fun morning for all!

Please come along to the **PTA AGM/social** at school on Tuesday, 10th October at 7.30pm.

Please join us next weekend for the **Arts Trail**, 14th/15th October 11-5pm in the school hall. We will be serving refreshments and would be very grateful for contributions of cakes, cookies and tray bakes. Also offers of help for an hour to help serving the drinks would be appreciated.

**Year 1** have been enjoying the Autumn sunshine seeking out Spiders on The Downs in the Avon Wildlife outside classroom. The spiders didn't disappoint us and the children learned many interesting facts to enrich their factual writing.

**Year 5** have walked to 'We, The Curious,' today formerly known as @Bristol. We look forward to hearing their report next week.

**Parents evenings** - Please remember to return your request for an appointment slip by Tuesday, 10th October.

**Skateboards** - We have had reports from our school community and beyond about unsafe use of skateboards on the roads around our school. If your child is bringing a skateboard to school please make sure you know where and how they are using it as they journey to and from school. As soon as the children enter our school site they are not allowed to be on them. It would be a shame to ask some children to leave them at home if they are used inappropriately at school.

## Year 4 Clay

Year 4 had so much to do in arts week that we just didn't have time to get it all done! We really wanted to complete our clay project, however, so this week we trooped down to the practical room and spent all afternoon making some very realistic Medusa heads. We had great fun making them look as weird and monstrous as possible. Watch out though, don't look any of them in the eye!

## Year 1 Spider Workshop

Year 1 had a great trip to the downs this week where we learnt all about spiders. We were lucky enough to spot a few hiding in the trees and found lots of different webs. Thank you to all the adults who came to help.

## PTA news

Christmas has made a sneaky appearance in Christ Church over this last couple of weeks..... We appreciate it feels a bit early to be thinking of festive things but the children took advantage of Arts Week and have got organised ahead of the game!

The children have been working really hard designing their own Christmas cards which Mrs Rowe and the PTA have been coordinating. Hopefully we will have our sample cards back by Monday 16th October for you to purchase but more details will follow.

### PTA Committee Positions:

Some members of the PTA committee will be standing down at the AGM, or have left the committee as their children are now in Year 7 and longer at Christ Church. This means that we need a new group of parents/carers to take on the roles of Chair, Vice Chair and Secretary. All PTA roles can be held as a job share, so if you would like to find out more, or put your name forward for any of these roles, please contact Lizzie Snelling [lizzie26156@gmail.com](mailto:lizzie26156@gmail.com)
