Christ Church CE Primary Newsletter 28: 4th May 2018

Message from Mrs Jones:

There was an impressive amount of certificates and achievements to celebrate in our assembly today. We are particularly focussing on our school values and it has really created a buzz of chatter amongst the children and this was reflected in the volume of values certificates presented today. Please do let us know if your child is talking about, or demonstrating our values at home.

We all need human values rooted in trust and affection, Dalai Lama

We will be able to sort it out, as we have been thinking about respect and kindness, Reception pupil Christ Church Primary School

So whatever you wish that others would do to you, do to them...Matthew 7.12

Mr Campbell has organised our teacher-led clubs and they have started this week; there is a great variety on offer and enthusiasm for these. We will share what the clubs have achieved as the weeks progress.

Congratulations to the children appointed as our new school librarians and thank you to all who applied. Mrs Richardson will meet with you next week and set you off on your first tasks.

Yr 5 trip to Beggar Bush Activity Centre

Year 5 had a great time at Beggar Bush yesterday, trying out lots of new activities. We learnt how to survive in the wild by making traps and snares, learning how to track, building shelters and cooking our own food. Our flat bread tasted amazing with jam and chocolate on!

Yr 2 Beebotting

“This week, Year 2 have enjoyed learning about position and direction, moving Beebots around a grid. The children have been learning about $1/2$, $1/4$ and $3/4$ turns, and applied their understanding of clockwise and anti-clockwise.”

Yr 4 Poetry

As part of our poetry topic this term, Year 4 went outside to plan some Shape poems. We explored the playground and found a range of subjects to base our poems on. From the towering green trees, to the beautiful blossom tree and Christ Church's resident greedy sea gull we were spoilt for choice on what to write! We let our imaginations flow and felt inspired by the colours and sounds of Spring. We used our poetry scrap books to record our ideas and did some quick shape sketches ready to take back to class.

Yrs 1 & 4 Maths Collaboration

It was a hubbub of excitement down in 1AS this morning as 4AF trooped into the classroom laden with maths challenges and games to help consolidate and support the learning that year 1 has been doing this week in maths. The year 1 children impressed 4AF with their maths knowledge and skills whilst the year 4 children impressed their teachers with excellent teaching skills and encouragement. The collaborative work that occurred between all children extended learning on all sides and Mrs. S and Mrs. F have decided to take a break on a Friday morning and let the year 4s take over!
