

Nursery News

Friday 11.09.2020

Dear Parents and Carers,

We would like to welcome all of our new families and children to Lace Hill Academy as well as our existing children from last year who have returned from the Summer break eager and ready to learn. We have been amazed at how quickly all of the children have settled into our Nursery routines.

Each Friday you will receive Nursery News through Parentmail where we can share with you what's been happening in Nursery together with details of some of the exciting activities and learning we have planned for the following week. We hope this helps you to talk with your child about the time they spend in Nursery.

Over the next couple of weeks, our main focus will be ensuring that all of the children feel happy, safe and settled.

This week we have been learning the Nursery routines and expectations, explored Nursery both inside and out and have shared lots of stories during circle time.

Why not try at home.

The children enjoy a snack both mornings and afternoons and have a choice of either a fruit or vegetable. Why not practise at home peeling a banana or an orange or encourage your child to eat an apple whole rather than chopped. It might be fun to go to the shop or visit the market so that they can choose their own fruit to try.

A BIG thank you to all those that attended the Stay and Play sessions last week and to those families that kindly welcomed us on a garden visit, it was lovely to meet with you and the children and get a chance to speak with you before Nursery officially started.

The feedback that we received from the Stay and Play sessions and your Hopes and Dreams cards have been a joy to read and provides us with a real insight into what you see as important for your child at the beginning of their Nursery journey.

“The relaxed atmosphere, all the play equipment – everything perfect!”

“Very useful to come in and play accompanied by me after such a long time out of Nursery”

If you would like to discuss any issues relating to Nursery or your child please do not hesitate to contact Mrs Carter.

Best wishes

Mrs Carter, Mrs Lee and Mrs Dasari
