

Nursery News

19.03.2021

**Dear Parents and Carers of Nursery,**

We are at the end of our first two full weeks since returning from Lockdown and we are amazed at how happy and settled the children have been. Resilient is the word that springs to mind. So what is resilience? There are many definitions of resilience, such as 'flexibility', 'bouncing back' and 'not giving up' It is important to remember that resilience is something that can be strengthened and supported throughout our lifetime and we see it as a priority in Nursery to build on this into everything we do with the children.

To find out more on resilience please take a look at the parent's information pack that is available on the school website under the Early Years Tab. There are lots of ideas in the pack that you may like to do at home to support your child.

As many of you know we love outside play! Our doors stay open throughout the day, not just during the current pandemic to aid circulation, but every day throughout the year. The outdoor environment provides the children with so many different opportunities to play and learn. The pictures that we are sharing this week are just a taster of what we enjoy during our day (you can now probably see why we finish our day wet, muddy, tired and happy!) We actively offer free flow access to outdoors and are always looking to develop our area just as we would inside.

**We are always on the lookout for interesting things to add to our outdoor space so if you are sorting out your shed or garage please think of us. We can always use wood, guttering, buckets, tubing, wheels, plant pots, flowers, seeds..... the list is endless!**

We would like to offer a warm welcome to Phineas, Thea and their families to Nursery; we hope you enjoyed your first week with us.

Our World Book Day photographs are on display in the Nursery window, please come and take a look. The books that the children brought home with them last week are for the children to keep, we hope you enjoy them.

### **Lending Library**

**Last Friday Nursery introduced it's very first 'Lending Library' and we were amazed at how popular it was. One of our aims in Nursery is to promote the love of books and reading with our children and families so we would love to continue with our little library. If you have any books that you would like to swap or donate, please deliver to Nursery. The library will not be able to continue without your support. Thank you.**

**We would like to wish Lily and Phineas a very happy birthday; we hope you enjoyed your special day.**

If you would like to discuss any issues relating to Nursery or your child, please do not hesitate to let Mrs Carter know. She will be able to call you at the end of the day. If the matter is urgent, please contact the office and they will relay the message.

Best wishes

Mrs Carter, Mrs Lee and Mrs Dasari
