

Nursery News

05.03.2021

Dear Children, Parents and Carers of Nursery,

We hope you have all enjoyed the Early Years Communication week as much as we have in Nursery. Messy Monday seemed to continue throughout the week from exploring bubbles to playing with baked beans and jelly and Talking Tuesday just did not stop!

Speech, communication and language are key skills to children's learning and development and this week has highlighted how many ways we can do this with our children. If you would like to find out more please take a look at the link provided <https://earlyyears.buckscc.gov.uk/communication-week-2021/>

This week in photos.....

We are looking forward to welcoming all of the children back to school and Nursery next week. We hope you have received and read the information sent out with regards to drop off and collection times, if not can you please do so before Monday.

First and foremost our main focus will be on the children's wellbeing and our aim for next week is to ensure that all the children feel happy coming in to Nursery and that parents know that their children are safe and secure in our care; so we will be revisiting our routines, catching up, sharing stories and just enjoying being back to together as a group.

The school as a whole will be celebrating World Book Day on Friday 12th March where your child can dress up, if they wish, as a character from their favourite book. **Can we please remind you that, in Nursery, we will still be enjoying messy play and will be outside for a large part of our day so appropriate clothing/shoes are a must – thank you.** Instead of an author Nursery will be focusing on Nursery Rhymes for the week and have some fun activities to welcome the children back with. I wonder how many Nursery Rhymes do you all know?

Next week to celebrate the love of books Nursery will be introducing their very own 'Lending Library'. Please come and take a book to read at home, we have a variety of adult and children's books. If you have any old books feel free to add them to the library for others to enjoy.

Please stay safe and use the provided hand sanitiser and perhaps quarantine and spray down your book once you have returned home.

Please could we ask you to return your children's scrapbooks the w/c 8th March.

Thank you

If you would like to discuss any issues relating to Nursery or your child, please do not hesitate to let Mrs Carter know. She will be able to call you at the end of the day. If the matter is urgent, please contact the office and they will relay the message.

Best wishes

Mrs Carter, Mrs Lee and Mrs Dasari
