

Nursery News

Friday 02.10.2020

Dear Parents and Carers,

In Nursery this week we have enjoyed building, mark making, sharing stories as well as lots of role play both inside and out.

We have many children that have shown a real passion for Lego which is not only great for the imagination but fantastic in helping to develop our fine motor skills.

We like to put the children's designs on display for everyone to enjoy as well to give them the opportunity to return to it if they wish.

We have been immensely proud of how the children are building relationships with each other in Nursery. We have observed many children showing care and concern if a child is upset, or being kind and supportive when needed. From helping each other to wash hands, getting a tissue to wipe away tears or just to hold a hand when needed. It is so lovely to see this in such young children and we make sure that this is recognised and praised.

We have been sharing a wonderful story at circle time called 'Together we can' written by Caryl Hart and Ali Pye which is a beautiful story about friendships and how being different to each other doesn't matter.

"All over the world and from since time began we show every day that....

TOGETHER WE CAN!"

Well done Nursery!

Thank you to everyone who has joined the Seesaw app, we hope you have enjoyed the first few activities that we have added this week. To be able to view and respond to any of the activities you need to be logged in to not just the family app but the class app as well. Any problems please let us know.

We would like to wish Jacob and Ivy a very happy 4th birthday; we hope you enjoy your special day.

If you would like to discuss any issues relating to Nursery or your child, please do not hesitate to let Mrs Carter know. She will be able to call you at the end of the day. If the matter is urgent, please contact the office and they will relay the message.

Best wishes

Mrs Carter, Mrs Lee and Mrs Dasari
