

Have a look at some of the lovely work that has been posted on Seesaw this week.....

# YR Weekly Newsletter 8.1.21

Dear Parents and Carers and children in Reception,

It has been a very unusual start to our Spring term but it has been lovely seeing you all on Zoom this week. I have enjoyed hearing all about your Christmas news and seeing your Christmas presents but most of all I have really enjoyed seeing all your smiley faces! I want to say a big thank you to the grown-ups for helping the children access and use Zoom. I have had lots of positive comments from you about how much the children are enjoying their learning and seeing their friends.

Next week in Literacy we will be retelling the story of Goldilocks and the Three Bears. The children need to know the story really well before they can start to write the story themselves. We will be retelling the story every day and adding actions so the children will become very familiar with the language and rhythms. I will be sending home a script of the story for you to read and join in at home. It would be great if you could read and rehearse this with your child as the week progresses.

In Maths we will be focussing on measuring different objects in the house, comparing the weights of different bowls.

Here are a few of your great pictures from your learning this week.

See you soon

Mrs Bradford, Mrs Wood, Ms Ord.

## Home Learning Heroes

Whilst we are not able to all be in school, we will be having online certificates for Home Learning Heroes (see the photo below)
