As Lace Hill Academy was a new school that opened for the academic year 2015/16 our funding was based on data collected in the Autumn 2015 school census. Because Lace Hill Academy had 16 or fewer eligible pupils, we received £500 per pupil.

<b>Objectives of spending PE &amp; Sport Premium Funding</b>
<p>Our key objective in using the PE &amp; Sport Premium Grant was to use the funding to introduce new sports and activities that encourage more pupils to take up sport as well as support and invite the least active children by running additional sporting activities.</p> <p>We have used existing research and publications including those from the OfSTED Good Practice series and finding of studies undertaken by various sporting bodies to enable us to make decisions relating to provision.</p> <p>We have invested in using the skills of qualified sports coaches and providing high quality resources and equipment to ensuring that the success of our PE &amp; Sport programmes are good.</p>
