<p>Ms Judith Green</p> 	<p><i>I am pleased to introduce myself to you and to tell you how excited I am to be taking up a position of Co-Chair of Governors alongside Mike Doherty.</i></p> <p><i>After meeting Mike and hearing about his many skills and his knowledge, I am quite sure that we will be able to work extremely well together in the interests of the children, parents and staff of Lace Hill school as well as supporting the school in maintaining its important position within the wider community.</i></p> <p><i>My own background is in Education. I have worked across the local region as well as in the Midlands. More recently, I spent time working in schools abroad. I retired from my last headship about 3 years ago but still work as a consultant and trainer in the field of education. I am also a proud parent and grandparent and so hope that I have a full-circle understanding of what it is like being a part of a school community.</i></p> <p><i>Once the world recovers from the current traumas, I hope to be able to visit the school and meet you at some of the many events that take place in Lace Hill.</i></p>

Ms Alison Morgan

I completed a BA Honours degree in Modern Languages and European Studies in Southampton before completing a PGCE course at West Midlands College of H.E.. During my teaching career, I have taught in Lincolnshire, Spain and in Oxfordshire, in KS1 and KS2. I have worked in Senior Leadership for the last ten years in Oxfordshire and then a seconded year in a large through school in Aylesbury.

I am thrilled to be part of the Lace Hill’s journey and working with the dedicated staff to give the best possible future for its students. My passion in teaching is helping children to be better than they thought they could ever be and strive for improvement at each step of their school-life. I love Maths; helping children overcome barriers to understand this subject gives me great pleasure.

In my spare time, I play tennis competitively most weekends in the Oxfordshire league, and enjoy walking my two golden retrievers in the beautiful local countryside. I am a football fan, and as a Leicester lass, I still follow my home team, Leicester City- I still have not quite come down from the glory year of 2015/16!

	<p>I have lived in Lace Hill since 2016, where my eldest son will be moving from nursery into Lace Hill Academy in September 2019. At the same time his little brother will follow his footsteps into the Nursery.</p> <p>Since living on the estate and enjoying the sense of community, I was looking for ways to become more involved and contribute myself. An opportunity arose to join the Local Governing Board for Lace Hill and I grabbed at the chance.</p> <p>Professionally, I am an Area Manager for a national residential property management company and have experience mostly surrounding property compliance, health & safety, and finance.</p>
