Next week is our Year 6 children's SATs week in school; these are tests the government set for the end of Key Stage 2. The children, staff and parents have worked incredibly hard to support their children through the preparation for these challenging tests. As a school, children's attainment and progress is obviously of paramount importance. Children have a right to a first-class education. At Crossflatts however, we never lose sight of the fact that our pupils are also children. Children with wonderful personalities, individual strengths and unique gifts, which no test result will ever capture. Regardless of any imposed test results, I am incredibly proud of all of our Year 6 children, who have shown grit, determination and resilience and we all wish them the very best of luck next week! Go for it Year 6! You have everyone behind you, willing you all on!
