[Thursday 28<sup>th</sup> March](#)

Hi Everyone,

This week is World Autism awareness week and we have been learning all about Autism and celebrating how we are all different. As part of our week, we will be taking part in a Walk for Autism tomorrow, Friday 29<sup>th</sup> of March, during the afternoon within the school grounds and would welcome a voluntary donation of £1, which we will then donate on behalf of our school to Autism initiatives.org charity. The children are expected to wear normal school uniform on this day.

As we enter the final two weeks of this term and with Easter just now around the corner our PTA have been busy organising some exciting events in school...

### Safeguarding

The Hub of Hope is the world's first of its kind mental health database bringing grassroots and national mental health services together in one place for the first time ever. Using the location of web browser or mobile devices, the cloud-based web application allows anyone, anywhere to find the nearest source of support for any mental health issue, from depression and anxiety to PTSD, as well as providing a 'talk now' button connecting users directly to the Samaritans.

It is currently the biggest and most comprehensive resource of its kind, with more than 1,200 validated support networks already registered on the web app and this number increasing each day. It has been endorsed by the Samaritans and 25 other national mental health support organisations and trusts.

Find Mental Health support for anyone in your family in your area here: <https://hubofhope.co.uk/>

Finally, it is the time of year when we invite our families to complete our annual survey, please click on the link here and take a few moments to complete the short questionnaire and tell us what we do really well and how we can make Crossflatts Primary School even better! <https://www.surveymonkey.co.uk/r/R9RZR8C>
