The small school making
BIG difference!

30th December 2015

Dear Parents and Carers,

Mr Hillier posted some information about the Dove Family Academy Trust on the school web site just before Christmas. Below is an update to reassure all those in the Dundry School community that arrangements have been made to ensure the leadership of the school is secure and improvements made to date will be continued.

On the 17th December the DFE formally requested support for the Dove Family Academy Trust from The Midsomer Norton Schools' Partnership (Norton Hill, Somervale, Clutton and High Littleton Schools). This support will include:

- Leadership oversight at Academy of Trinity by CEO for the Midsomer Norton Schools' Partnership, Alun Williams
- Leadership oversight at Dundry School by CEO for the Midsomer Norton Schools' Partnership, Alun Williams
- Leadership support for both Trinity and Dundry from Michelle Parsons – Headteacher at Clutton Primary School and Gareth Griffith – Headteacher at High Littleton School.
- Support in resolving current staffing issues facing Academy Trinity

Dundry teaching staff are all expected in work on the 4th January and teaching will resume on the 5th January as normal. I will spend some time at Dundry during that first week and begin to determine the required leadership capacity for the school.

Naturally, I will keep you updated of the longer term plans for the Dove Family Academy Trust. Should you have any questions, please do not hesitate to contact my PA at Norton Hill School via the following email address: headspa@nortonhillschool.com or office@academyoftrinity.com

Yours faithfully

Alun Williams
CEO Midsomer Norton Schools' Partnership
