Home Learning

Dear Parents/Carers

During the current Covid crisis there may be times when pupils/families need to self-isolate following government guidelines.

Pupils and parents will be able to access activities via the class page which will reflect some of the learning taking place in class. The children will be able to complete the activities and use the VLP (Visual Learning Platform) to message staff in regard to their learning.

There will be a separate section on the class page dedicated to 'Home Learning' which will be updated weekly. The children will have the following activities to complete during their period of Remote Learning. This will start from 21st September 2020.

Key stage 2

- Comprehension text and questions
- Reading
- Maths lessons based on class learning
- Writing/English activity
- Ongoing Learning Challenge project
- Weekly homework tasks
- Handwriting using letter join

EYFS/Key stage 1

- Phonic activities/Reading Activities
- Maths lessons based on class learning
- Reading comprehension
- Ongoing Learning Challenge project
- Weekly homework tasks
- Handwriting using letter join

The following website also provide activities and on line learning for each year group: BBC bitesize and The Oak Academy online.

If you have any difficulties, please contact school.

Yours Sincerely,

Mrs H Donnelly
