

19th March 2020

Dear Parents/Carers,

As you are already aware, we seek our guidance from the Government and Public Health England. Following the announcement from the Prime Minister last night, ***we are due to close from Friday at 3.00 p.m. except for the children of key workers, vulnerable children and children with an EHCP.***

Every child's education is extremely important to us and although we are closed to the majority, we will still provide work for all children. Therefore, if your child does not fit into one of the above categories they will come home on Friday with a 'Home Learning pack'. Teachers have also uploaded links to a range of websites on our school website – www.olpsprimary.co.uk, these can be found if you click onto 'classes' and then 'Working from home'.

At present, we have not been given a list of who the government are classifying as key workers. Should you feel that you fit into the key worker category and that you will need your child to attend school, please email or ring the school office asap on sec.olpsprimary@halton.gov.uk or 0151 424 6130, so that we can ensure we have adequate staffing levels in school.

As you are aware, no end date to school closures have been announced. Therefore, we are currently focussing on the next two weeks which will take us to our already planned Easter break.

We will do our utmost to provide support for all our children and families. If you need anything, no matter what please email sec.olpsprimary@halton.gov.uk or head.olpsprimary@halton.gov.uk and we will do our utmost to support you during these unprecedented times.

Take care and God Bless

Mrs P McGuffie

Headteacher
