Pupil Acceptable Use Agreement - Agreement

Dear Parent/ Carer

ICT including the internet, email and mobile technologies, etc has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Please read and discuss these e-Safety rules with your child and return the slip at the bottom of this page. The rules can be kept at home so that you can refer to them when your child is using technology. If you have any concerns or would like some explanation please contact the head teacher at school.
