Head Teacher – Mrs P McGuffie

19th May 2020

Dear Parents/Carers

Plans for re-opening school

Thank you for completing the Google questionnaire on whether you intend to send your child into school, should we open on 1st June, as the government has announced. If you have stated yes, can you please email Mrs Stanley and provide your child's name – sec.olpsprimary@halton.gov.uk

Following current guidance from the DfE:

- Children will be put into Year group, 'Bubbles' of no more than 10, as this is the maximum we can fit into any classroom, ensuring we maintain the 2 metres social distancing rule.
- Once the children have been allocated their 'Bubble' they cannot change to another bubble.
- Key workers children who will still need to attend will be put into their own bubble.

We are also implementing a range of protective measures:

- 2 metres distancing markers around school to encourage pupils to social distance.
- Increase hand washing.
- Encourage catch it, bin it, kill it approach.
- Increased cleaning regime around school.
- Timetable for one parent/carer to drop their child/children off and collect at the end of the day.
- Utilising outdoor space as much as possible.

Whilst our staff will be encouraging the children to social distance we will not be able to guarantee that this will take place consistently.

As the guidance is changing on a regular basis, the current plans are not set in stone and will need to be ratified by Governors before being fully implemented.

I hope you find that this information is useful, as we wanted to be able to share the plans we have so far, so that you know we are all working hard to keep everyone safe during the phased return to school.

Take care and keep safe.

P McGuffie
