This week's focus: Creativity in Class Topics

Dear Parents/carers,

We hope you had an enjoyable half-term with you families, even though the weather wasn't the best. As you will be aware, we will be going into another lockdown from Thursday of this week in England. As announced schools will remain open and attendance at school will continue to be mandatory. In order that we can keep our school open for as many children as possible we must make sure we **continue to stick to the staggered drop off and pick-up times alongside all the other measures we have in place in school**. Please ensure when dropping children, you maintain social distancing rules and avoid congregating in groups on the school premises. Please do not arrive on site until your allotted time. I know this may be an inconvenience if you have more than one child to drop at different times, but I think you will all agree this is preferable to the schools being closed. We will continue to follow guidance from the Department for Education on steps to take in the instance of a positive case in school. If that means a 'bubble' of children needs to isolate our teachers have worked hard to ensure we have remote education learning plans in place so there will be as little a disruption to the children as possible.

We all know that the best place for children to learn is in the classroom with their class teacher so let's all work together to keep our children and staff safe so they can remain in front of the class and doing what they do best. Please make sure you follow the most recent guidance if you or your child develop symptoms and if in doubt please contact the school. Be patient with our fantastic office staff who are not trained medical professionals, but they will be able to help interpret the guidance if needed.

We are aware this next lockdown will be a challenging time in many ways for our families, emotionally and financially in some cases. We have a strong sense of community and I am sure we can work together to keep schools open and ensure the best possible education for your children.

Best wishes
Samantha Jones
Rainbow Trust Leader

Dates for your diary:

Parent Consultations

Monday 9th November –
Thursday 12th November

Friday 13th November –

Children in Need – non-uniform day

Last Day of Term

Friday 18th December 2020

Quote

Science knows no country, because knowledge belongs to humanity, and is the torch which illuminates the world.

Louis Pasteur

Louis Pasteur was a French biologist, microbiologist, and chemist renowned for his discoveries of the principles of vaccination, microbial fermentation and pasteurization. He is remembered for his remarkable breakthroughs in the causes and prevention of diseases, and his discoveries have saved many lives ever since.

Parent Consultations

We will be holding parent meetings the week beginning the 9th November. This will be an opportunity for you to discuss with your child's class teacher how they have settled in, the progress they are making and areas they are currently working on. If your child is on the SEND register you will also be able to discuss your child's individual education plan. Unfortunately, we are unable to invite parents into school for the meetings as we would normally. All consultations will therefore take place over the phone. Please sign up using the link below and book an appointment with your child's class teacher. You will need to register your email and create a password first.

<https://cal.smoothbook.co/5da5ce6f84e31e7aa72ad4c2>

Please also let the class teacher know (via private message on Dojo) which phone number you would prefer to be contacted on for your meeting.

Teachers will then call from school at the time you have booked. Meetings will take place as follows:

Carn Brea (Miss Berry) - Monday 9th November 4-6pm and Thursday 12th November - 2-5p.m

Godolphin (Miss Souch) - Wednesday 11th and Thursday 12th November 3-6p.m

Trencrom (Mrs Richards) - Tuesday 10th and Wednesday 11th November 3-6p.m

Tregonning (Mr Hooper) - Monday 9th and Thursday 12th November 3-6p.m

Poppy Appeal

We will be supporting the British Legion poppy appeal again this year. From Tuesday 20th October until Friday 6th November poppies will be available for a small donation. We will also be selling zip pulls (50p), Poppy reflectors (50p), Wristbands (£1.00) and snap bands (£1.50). If you would like your child to make a donation or buy one of the fundraising products please send them in with the correct amount of change. Thank you for your continued support.

Children in Need – Non-Uniform Day

On Thursday 12th November we will be raising money for Children in Need. Children can come to school in their own clothes/no uniform if they wish and make a donation through the school.

Incredible Years	Dates to be confirmed						

Camborne Science and International Academy are proud to announce another inspirational programme of Super Saturday workshops for Year 5 and 6 students. Due to the current climate, we regret that we are unable to run these sessions on either of our campuses at this time. Workshops will instead be run remotely, with each session going live at 9am on the scheduled date.

Our workshops are currently open to all Year 5 and 6 students from all primary schools, no matter how far afield that may be. Please use the booking form below to sign up to workshops during the first half of the Autumn Term. Once registered, you will receive an email confirmation of your place, followed by a further email with details of how to access the session by 9am on the morning it is due to go live.

Autumn Term Programme

14th November
DT: CSIA Bakes Off

28th November
History: Tales of Christmases Past

12th December
Maths: Christmas Mysteries

Please go to our website for more details.

If you would like to book a place, please fill in a booking form on our website or email supersaturdays@cambornescience.co.uk
