

Stoke Hill Junior School

Update 4.12.20

Key Messages

Please make sure your child gets to school at the right time and doesn't arrive too early.

This could avoid additional children having to isolate in the event of a Covid outbreak.

Y3 and 5 – please get here between 8.30am and 8.40am

Y4 and 6 – please get here between 8.40am and 8.50am

Please wear a mask on the school grounds if you need to drop off or pick up your child.

Please keep us updated. Let us know if your child, or anyone in your family, has symptoms (high temperature, new persistent cough, change or loss of the sense of taste or smell) or tests positive for Covid. If this is the case please keep your child at home until you have contacted us, and we will advise the necessary course of action.

Countdown to Christmas...

The fun has begun! Here is the second weekly Christmas update:

Federation Stars' Home Learning: Today is the FINAL day to email your photos: stars@stokehill.devon.sch.uk We have a galaxy of 'stars' ready to shine!

Dates for the coming week:

During the week the children will be decorating their classrooms – the best ones will be announced on Friday. We'll take some pictures and add them to Twitter so that see how brilliant they are.

Wednesday 9th December

Christmas Lunch - Children may decorate their school uniform with a Christmas accessory if they wish.

Friday 11th December

Everyone can wear their **festive or favourite jumper** today.

Friday 11th December is also the LAST posting date for Christmas Cards.

Please remember, to comply with safety procedures, we are asking that Christmas cards are posted in class and NOT given out by hand.

Class Superstars 3.12.20

3G - My class has been brilliant this week because they have been really kind to each other.

3T - My class has been brilliant this week because they have been so enthusiastic with the online platforms Mathletics, TTRockstars and Numbots in particular. You are becoming great mathematicians, 3T.

3M - My class has been brilliant this week because they have been showing lots of enthusiasm for reading. They are especially enjoying our new class novel.

4CP - My class has been brilliant this week because they have worked with great concentration on the William Morris art. They have shown great control, intricately adding detail and then cross hatching for effect.

4O - My class has been brilliant this week because they have been working extremely hard with their artwork, creating beautifully intricate drawings of robins to go with their writing.

4LP - My class has been brilliant this week because they have produced spectacular art work and are extremely motivated to learn new DT skills...all in time for our decorating competition!

5HM - Our class has been brilliant this week because they have measured and cut out their nets for design technology really well. It was impressive to see how they tackled the task.

5J - My class has been brilliant this week because they have conquered perimeter work with ease and accuracy, practised their measuring skills in maths and applied them expertly in DT.

5M - My class has been brilliant this week because they have worked incredibly hard to design and begin making their nets for their DT projects about moving toys. Lots of concentration and perseverance!

6M - My class has been brilliant this week because they have been focused on further improving their writing skills and have challenged themselves by tackling more reasoning tasks on fractions. Great work 6M!

6B - My class has been brilliant this week because they have been working really well as a team towards the lunchtime challenge and I have been really impressed with the improvement in their stamina during daily exercise. Well done 6B!

6AE - Our class has been brilliant this week because they have worked incredibly hard on dividing fractions - you really got the hang of it 6AE!
