### Spelling W.B. 11.5.20

WALT spell the Year 2 common exception words

This week we would like you to try and **really** learn to spell 10 more words from the Year 2 spelling list.

Remember all the different strategies we have learnt in school to help us with our spellings, e.g.

- **rainbow writing:** write each word up to 7 times, using a different coloured pen or pencil each time, like this

- breaking words down into **syllables** and clapping each syllable, like this  
**spell / ing** or **A / fri / ca**

- **Look, say, cover, write, check....**

**Look** at the word you are learning,

**Say** the word out loud,

**Cover** the word up,

**Write** the word,

**Check** the word.

This week please can you learn to spell these words:

**class, grass, pass, plant, path, bath, hour, move, prove, improve.**

Try and listen out for any words, or parts of words that sound the same...this will help you learn them too, e.g. 'ove'.

When you are confident that you can spell these words and would like another challenge, you could try and a sentence using each of the words.

Remember, the more you practise the easier the spellings get!
