

Stoke Hill Infant and Nursery School Update 26.02.21

Full Opening

We are so delighted that the school and nursery will be open to all children from Monday 8th March.

We are really looking forward to seeing all the children together once more and enjoying getting back to a more normal kind of school life!

It's another change for each young child, and so please be reassured we are working away at making this transition back to school safe, happy and secure, so that we can all reconnect and enjoy learning together again – in the spring sunshine let's hope!

Our protective measures remain securely in place with a reminder coming home next week regarding access gates for year groups, routes around the school and what to bring or not to bring etc.

Spring has arrived it seems and so we wish everyone a lovely weekend and time to make a start on their cardboard tube character for World Book Day! please see the poster attached. On Monday, there will be spare book tokens in a folder at each school gate, so take a paper token if you do not have one and have lots of fun, have lots of stories on Thursday.

Have a sunny weekend too, with kind regards from all of the staff ~
