a summer of opportunity

Taurus Crafts are gearing up to a summer holiday of family friendly creativity and fun with a programme of activities, outdoor playground, a Summer Fair and delicious food & drink.

What makes Taurus Crafts so special is the ethos behind it all – as part of the Camphill Village Trust, a charity supporting adults with learning disabilities; autism; mental health challenges and complex needs, they run their shops and café with a mixed ability team providing opportunity for individuals to learn and develop.

The ethics do not end there as the gift shop and home and fashion shop sell fair trade, sustainable, local, and ethically sourced products. As the area's largest craft centre if you are considering local products there is a diverse range of independent creative businesses on site. If the activities and browsing the artisan workshops has given you an appetite Taurus Crafts have got it covered, with their large café serving delicious breakfasts baps, light bites, vegan specials and their renowned cakes, bakes and ice creams.

Towards the end of the school summer holiday there will be a celebration of all that is good at Taurus Crafts with their Summer Fair event on the 22nd August. Local food, drink, art, crafts, picnics and live music. Its free entry and looks like a great choice for a family day out.
