

Dear families,

Welcome to the new school year! Myself and all the staff have been so pleased to see our pupils during this first week. We would like to assure you that we are doing all we can to ensure the children are happy, safe and feel secure as they adapt to school life again. We all continue to be focus on providing the best possible care for the children at the same time as ensuring a safe working environment for all our staff.

Thank you for following our guidance and procedures that we have put in place for the safe return to school. Please could you ensure that you check gate location, drop off and collections timings for your children ready for next week.

The children have all started our new school topic "Make me a Superhero!" and have been learning about resilience, strength and understanding of their feelings and the feelings of others. This topic will continue throughout Term 1 with lots of fun and exciting learning.

To celebrate us all being absolute superheroes, we will have a dressing up day on Thursday 22nd October. Your child can come dressed as a Marvel-type superhero but anything goes, so superhero princess, princesses, pirates etc are all fine as well!

We understand that the past months will have been challenging for many families. If you would like to talk to us about your child and any concerns you have about how they are coping with their return to school, please contact your child's class teacher via Miss Agg.

Best wishes,
Mrs Davis
