Class 4 Trip

On Monday Class 4 visited We the Curious in Bristol. They had a great day exploring the science activities on offer including an interactive planetarium. Mrs Thomas reported that the children were a real credit to the school – well done, Class 4! Thank you to the parents who came with us – we hope that you enjoyed your day as much as the children!

Harvest Market

To celebrate Harvest, each year we hold a Harvest Market. To prepare for this year's market, each of the classes will be creating some harvest goodies for you to buy – Pre-School have been leading the way making some lovely plum produce! The Market will take place in the Hall on Friday at 2.15pm.

Knowledge Organisers

One of the ways in which we are supporting the children to acquire the knowledge and vocabulary needed for their themes in class is by creating Knowledge Organisers. These A4 sheets contain all of the key information and vocabulary that the children will be expected to learn and use. Every child has been given one and it would really support their learning if you could look at them with your child and help them to absorb the information that they contain. We will also be using them in school for quick assessments of how much they have learned.

Macmillan Coffee Afternoon

Following the success of last year's coffee afternoon, we will once again be combining our Harvest Market with the Macmillan event on Friday 27th September at 2.15pm. Come and join us in the Hall.

FOSM

FOSM Meeting Friday 4th October at 2.30pm. Come and join us!

To see more information on what the children will be learning this term, don't forget to log in to the class pages on the website using your e-Schools login.

Diary Dates

September

- 24th Forest High Open Evening
- 26th Dene Magna Open Day/Evening
- 26th Monmouth Comprehensive School Open Evening
