Dear Parents/Carers,

Following the government announcement on Monday, there is no change to operational guidance for schools. All control measures should remain in place until the end of term and regular LFD testing should continue.

In the event of a Covid case in school, government advice is now that any close contact of a PCR positive case is asked to take a PCR test to assist in containing the spread of Covid beyond the original setting.

Keep our bubbles open! -Two local schools have closed bubbles this week due to positive cases. Please continue to follow Covid guidelines to help keep our bubbles open.

School Work - Families Isolating

If you are required to isolate due to COVID, the requirement is for your children to continue with their school work remotely from home. You can find the timetable and content on your child's eSchools class page. Please contact Miss Agg if you experience any issues accessing this work.

We hope that you all received a copy of the parking letter which was sent home on Monday. Please let Miss Agg know if you are able to help with the proposed new Drop-off and go scheme, we are in need of a volunteer co-ordinator and people willing to help. Cones have been placed on the entrance to the school lane to keep it clear of parked cars and to keep access to the Severn Trent Building free. These are for the safety of all, please do not move them.

Prostars' Tokyo Olympic Themed Sports Day

Please could all children (including Pre-school) come into school wearing their PE kit on this day. Tuesday, 6th July. Please also ensure that your child has their water bottle.

Photos

Please could all Year 6 parents who are not ordering photos on-line, return orders to the office by **Monday 21st June**. The proofs for the class photos are expected soon, due to the extra formatting, they take a little longer to process.
