Welcome!

Welcome to a new year at Steam Mills! At the time of writing our new Reception children are having a wonderful time exploring their new environment whilst the rest of the children have already settled into the routines of their classrooms.

To see more information on what they will be learning this term, don't forget to log in to the class pages on the website using your e-Schools' login.

This will be a very busy Autumn Term – we are currently recruiting for a new Head Teacher and will also be advertising for a new Early Years Lead as Mrs Gallop leaves us at Christmas to be the Early Years Advisor for South Gloucestershire.

In November Mrs Thomas will be travelling to Shanghai as one of two teachers selected from Gloucestershire to observe Maths teaching in action. This is a fantastic opportunity for the school as a reciprocal visit will take place in the Spring Term and we will all get to see them teach here at Steam Mills!

School Meals

A huge apology for the technical error with ParentPay when all of our menus were removed during the summer! They are now back online for you to make your selections. The current menu runs until half term (end of October), from 4th November there will be a new Autumn term menu.

Sponsored Walk

Thank you to those who have brought sponsor money into school. For those of you for whom it has been forgotten about in the end of term/summer holiday madness, we are still gratefully collecting it in.

A big thank you also the parents of last year's Y6 children who supported the 'Pantomime fund' with a donation.

Thursday After School Care

Thursday After School Care will take place in the School Hall from next week onwards.

Clubs

All children have been allocated to their clubs and we have issued letters home with regards to Grow & Cook and Art Club. Please look out for these in your child's bag.

Diary Dates

September

2 nd	INSET
3 rd	Children return to school
