Summer Fayre

We would like to say a huge 'Thank You' to Louise Bent and all the wonderful parents who organised the Summer Fayre. Everyone had a lovely evening with a huge total of nearly £1400 raised. Thank you also to everyone who attended. We are keen now to get FOSM up and running again – look out for more details.

Rights Respecting Schools Award

This week we welcomed an assessor from UNICEF into school to judge the school's work on the United Nations Rights of a Child as we aimed towards the Silver Award. She met with staff, Governors and children and we were thrilled when she announced that we were to be awarded the Silver! A big thank you to Mrs Gallop who has led the way from the beginning of our journey and to the children who once again did us proud!

Reports

Annual reports will be sent out next Monday. This year we have used a new layout which will give you the key information that you have told us you value in a clear format.

School Disco

Our final disco of the year will take place on Wednesday 17th July. Infants 5.30-6.15pm and juniors 6.20-7.30pm. Tickets available from the school office or on the door (£1 each).

Leavers' Production

By now you should have received information on tickets for the Leavers' Play – do get in touch with the office if you have not received it.

School Lunches

Just remind parents that those children who are currently in year 2 and moving to year 3 in September will no longer be in receipt of Universal Free School Meals. You will be asked to pay for any meals when you book them via ParentPay (unless you qualify for Free School Meals).

United Nations Convention on the Rights of the Child

The Rights that we are exploring in July are:

Article 12 – Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously

Article 15 – Every child has the right to meet with other children and young people and to join groups and organisations, as long as this does not stop other people from enjoying their rights

Article 30 – Every child has the right to learn and use the language, customs and religion of their family whether or not these are shared by the majority of the people in the country where they live

Article 31 – Every child has the right to relax, play and join in a wide range of cultural and artistic activities.
