### We Need You!

Reading is such an important life skill for our children and one that we give a high priority to in school. The class teachers teach reading through phonics and through whole class/guided reading sessions and will hear the children read those texts. However, the daily practice of listening to individual children read is something that needs to be done at home or supported through our volunteers at school. Can you spare some time or know someone who would be able to help at school? It doesn't have to be every week – half an hour or so when you can would make a real difference. If you can help us – please pop in and let us know.

### FOSM

Following the success of the Summer Fayre, we are really keen to see if we can get a Friends of Steam Mills group going again. This is open to all parents/grandparents/carers.

In the past, FOSM have supported things such as interactive whiteboards, books, presents for children at Christmas and the Leavers' Hoodies which has helped the school budget out enormously. If you would like to be involved in this, come and join us on Friday 4<sup>th</sup> October at 2.30 pm.

### Macmillan Coffee Afternoon

Many thanks to all involved with the Macmillan Coffee afternoon – children from Class 4 for running it, the staff for donating the cakes and all who came to support. We will let you know the amount raised next week.

### Breakfast Club

A reminder that parents are required to sign their children in when dropping them off at Breakfast Club. Thank you.

**To see more information on what the children will be learning this term, don't forget to log in to the class pages on the website using your e-Schools login.**

## Diary Dates

### October
