This thriving Acorn Education Trust school is looking to appoint a Nursery Class Teacher from September 2019.

The Avenue Primary School is set in the charming market town of Warminster, Wiltshire. As part of the Acorn Education Trust it provides exciting opportunities to improve local education.

We want our children to remember their years at The Avenue Primary School as having been challenging, but also rewarding, fun and enjoyable. We are immensely proud of our school and the facilities we can offer. Our nursery is for 3 year olds and runs 2 sessions every day, working closely with The Avenue Children's Centre to provide wrap-around care. Our purpose-built nursery benefits from well-resourced indoor and outdoor areas. As teacher, you will be supported by a team of dedicated and skilled TAs and will also work alongside our reception class teachers as part of a larger EYFS team. Nursery is an integral part of our school and you will be fully involved in school life.

We would like to hear from you if you:

- Can challenge, inspire and support children in their learning;
- Can provide outstanding learning opportunities for our children;
- Have a good knowledge of the EYFS curriculum;
- Are dedicated to and have high expectations of children and a belief that all children can succeed;
- Are committed to teaching using a creative, cross-curricular approach;
- Have excellent communication and inter-personal skills;
- Are able to create a high quality stimulating, interactive and creative learning environment;
- Are able to work effectively within our hardworking, talented and friendly team on whole school issues and can share good practice.

We can offer the right candidates:

- An ambitious and vibrant place to work, with enthusiastic staff and children who are keen to learn and deserve the best;
- Well-resourced classrooms with up to date technology for every teacher;
- A highly organised and very supportive team;
- Wonderful opportunities to work and plan collaboratively with experienced colleagues across the Trust;
- A clearly defined and supportive induction procedure;
- High quality professional development opportunities
