	<p>Skills for Learning, Learning for Life</p>		

	<p>Compose simple melodies and songs  Use pitch to communicate ideas Sequence long and short sounds  Use a range of dynamics, timbre and pitch in composition  Understand culture in composition  Create rhythmic patterns with an awareness of timbre and duration  Use emphasis and accent to create effects  Use change in pitch to express ideas  <b>Performing</b>  Play clear notes on instruments and use them to make a range of sounds  Sing songs from memory  Sing with a sense of the shape of the melody  Make range of vocal sounds: tone, timbre, volume  Hold a part in more complex round  Control the way some sounds are made, through breathing  Control both short and long sounds  Work to improve their own work  Follow instructions from symbols when singing or playing  Show increasing control with instruments  Play tuned instrument, with limited range of notes  Sing in tune and with expression  Can hold their own part when performing by ear or by notation  Begin to sing in two part harmony  Show control through breathing, articulation and dynamic</p> <p style="text-align: center;"><b>Resources:</b> Charanga</p>	<p>with good intonation and articulation  Understand and use the concept of pulse  Use ostinato to accompany  Repeat short rhythmic and melodic patterns  Sustain a rhythmic accompaniment  Play clear notes on instruments and use them to make a range of sounds  Show confidence in leading a Group  Follow instructions from symbols when singing or playing  Show increasing control with instruments  Play tuned instrument, with limited range of notes</p> <p style="text-align: center;"><b>Resources:</b> GCC – music team</p>	<p>Use pitch to communicate ideas Sequence long and short sounds  Use a range of dynamics, timbre and pitch in composition  Understand culture in composition  Create rhythmic patterns with an awareness of timbre and duration  Use emphasis and accent to create effects  Use change in pitch to express ideas  <b>Performing</b>  Play clear notes on instruments and use them to make a range of sounds  Control both short and long sounds  Work to improve their own work  Follow instructions from symbols when singing or playing  Show increasing control with instruments  Play tuned instrument, with limited range of notes</p> <p style="text-align: center;"><b>Resources:</b> Charanga Need to introduce some rounds and part singing (See Music coordinator for resources)</p>
<p><b>Class 4 Year 5/6</b></p>	<p style="text-align: center;"><b>Theme: World War II</b>  Year 6 Ten Pieces Holst: Mars from the Planets  <b>National Curriculum:</b>  Pupils should be taught to:  play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression  ♣ improvise and compose music for a range of purposes using the inter-related dimensions of music  ♣ listen with attention to detail and recall sounds with increasing aural memory  ♣ use and understand staff and other musical notations</p>	<p style="text-align: center;"><b>Theme: Rivers</b>  Charanga You've got a friend  Yr 6 unit  <b>National Curriculum:</b>  Pupils should be taught to:  play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression  ♣ improvise and compose music for a range of purposes using the inter-related dimensions of music  ♣ listen with attention to detail and recall sounds with increasing aural memory</p>	<p style="text-align: center;"><b>Theme: Ancient Greece</b>  Whole Class Tuition  Or  Charanga –Classroom Jazz  <b>National Curriculum:</b>  Pupils should be taught to:  play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression  ♣ listen with attention to detail and recall sounds with increasing aural memory  ♣ use and understand staff and other musical notations</p>

♣ appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians  
develop an understanding of the history of music

### Rainbow Skills

#### Listening

Describe what they hear using a wider range of musical vocabulary

Recognise how musical elements are used by composers to create different moods and effects  
Understand the cultural and social meaning of lyrics  
Appreciate harmonies, drone and ostinato  
Explore ways the way in which sounds are combined towards certain effects

Describe, compare and evaluate different kinds of music using an appropriate and broad musical vocabulary

Evaluate differences in live and recorded performances

Consider how one piece of music may be interpreted in different ways by different performers, sometimes according to venue and occasion

#### Composing

Use a range of dynamics, timbre and pitch in composition

Use emphasis and accent to create effects

Use change in pitch to express ideas

Use own signs and symbols to record composition

Know and use standard musical notation of pitch and beat

Understand the concept of bass and treble clef

Comment on the intended effect

Combine several layers of sound with awareness of combined effect

Use changes in timbre, pitch and Dynamic

Understand how many beats in a minim, etc. and recognise their symbols

Improvise melodic and rhythmic phrases as part of a group performance

Develop ideas within distinct musical structures

Identify and explore the relationship between sounds

#### Performing

♣ use and understand staff and other musical notations  
♣ appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians  
develop an understanding of the history of music.

### Rainbow Skills

#### Listening

Describe what they hear using a wider range of musical vocabulary

Recognise how musical elements are used by composers to create different moods and effects  
Understand the relationship between lyrics and melody

Understand the cultural and social meaning of lyrics

Describe, compare and evaluate different kinds of music using an appropriate and broad musical vocabulary

Analyse and compare features from a wide range of music

Discern and distinguish layers of sound and understand their combined effect

Recognise how different musical elements are combined and used expressively in many different types of music

Identify cyclic patterns – verse and chorus, coda

Consider how one piece of music may be interpreted in different ways by different performers,

#### Composing

Use a range of dynamics, timbre and pitch in composition

Use emphasis and accent to create effects

Use change in pitch to express ideas

Use own signs and symbols to record composition

Know and use standard musical notation of pitch and beat

Understand the concept of bass and treble clef

Comment on the intended effect

Can hold their own part when performing by ear or by

notation

Begin to sing in two part harmony

Show control through breathing, articulation and dynamic

### Rainbow Skills
