

## Maths Visitors

Miss Mills and Class 4 helped to inspire a group of 20 Head Teachers and Senior Leaders on Wednesday as they demonstrated our approach to Maths. The children (and Miss Mills!) were fantastic – they concentrated and remained focused throughout, even whilst all of the adults were walking around, peering over their shoulders or looking through their books!

## PE Funday

The children had a fantastic day on Wednesday as we held another PE Funday. The activities on offer included Tri Golf, football and Zorb Football. The children have loved taking part in these special days, so we intend to use our Sports Premium money to continue to hold them next year. For more pictures see our Twitter page.
