Welcome back!

Spring has finally arrived in time for the Summer Term! The next few months until July are extremely busy with different events so keep an eye on your e-Schools calendar to make sure that you don't miss out.

Class 3

Children in Class 3 watched a performance of 'In the Net' today. The play explored some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation in an age appropriate way. However, there is no safer way of keeping your child safe from these risks than ensuring that you play an active part in your child's online life through monitoring and conversations.

Music

Following the success of our Ukulele lessons in Year 3 and 4, Miss Jenkins has met with Gloucestershire Music to arrange an exciting Music curriculum for the next academic year. We look forward to sharing the children's talents with you.

Clubs

Once again, our clubs are proving to be very popular with waiting lists for some. Mrs Harris will contact you on Monday if your child has been unsuccessful in obtaining a place.

Sun Cream

We don't want to tempt fate but now that the sunshine is here, may we ask that if it is a hot day, sun protection is applied to the children before they come to school and that they bring a hat.

After-School Care

Due to the high numbers attending After School Care, please ensure that you check with the office in advance to see if there is a space available, particularly Monday-Thursday as we are now often full. Many thanks.

Diary Dates

April

30th Class 1 visit to Bristol Zoo

May

7th Bank holiday

14th- 17th SAT's Week

21st Whole class photographs

23rd Fun sports with Pro-Stars

Christmas Shoebox Appeal

We are beginning our collection for the Christmas Shoeboxes again. Throughout April we will be collecting:

soap and flannels/sponges

Rights from the United Nations Convention on the Rights of the Child.

This month we are learning:

Article 14 – Every child has the right to follow their own religion

Article 24 – Children have the right to good quality health care – the best health care possible – to safe drinking water, nutritious food, a clean and safe environment, and information to help them stay healthy.
