

Attendance Policy/Missing Child

Please be aware that following advice received, the attendance policy has been updated with new safeguarding procedures. If a child is not in school and we have not been able to make contact with anyone on their emergency contact list by 10.00am, the school will report the child as missing using the police 101 service. Therefore, please ensure that you get in touch with us if your child is absent and that your emergency contact details for family members and friends are correct. This follows very sad incidents across the UK where children have been at significant risk of harm with the school unaware of where they are.

ICT

This week all class teachers received training from Lee Parkinson aka 'ICT with Mr P'. They came back full of practical ideas for the delivery of our ICT and other curriculum areas. The focus of the training was on ensuring that children are innovators of ICT rather than just consumers.

With this in mind, don't forget that you can get up to date advice on keeping your child safe online using National Online Safety who provide really useful quick guides. Follow them on Twitter @natonlinesafety

Year R and 6
