

Leavers' Production

Congratulations to Class 4 and the Class 3 choir for two great performances of the Leavers' Production. We had lots of positive feedback from the audience – many thanks to all who came.

Class 3 Wedding

As part of their work on ceremonies this term, Class 3 planned and organised a Christian wedding service. This week the Bride and Groom finally made it down the aisle! Many thanks to the parents who kindly contributed items: Elliott's mum made the cake, whilst bouquets and button holes were created by Grace's family, Georgia's nan and Milo's mum. Expert hair services on the day were provided by Oliver's mum and Mrs. Harris! A big thank you also to Jonathan Kear from the Forest church and to the family members who attended the service. Pictures can be found on our Twitter page, taken by Oliver, our official wedding photographer!

Class 1 Tea Party

The hall has been transformed today ready for Class 1's Alice in Wonderland tea party. The children have designed and planned it all, including the menu and activities. Pictures, as always, on Twitter.

Payments

As of September, we are going to be a 'cashless school' for trips, meals, breakfast club and after-school care. Please ensure that you have all of the necessary details for ParentPay as money for the above items cannot be accepted at the office. Many thanks.

Sponsored Walk

Thank you to everyone who has brought in sponsor money this week – the total raised so far is an amazing £1247.50!! We will be using this money to put towards the annual visiting pantomime.

Volunteers

Thank you to everyone who has volunteered in some way at school this year; you make such a positive contribution to the success of the children and your help is very much appreciated.

Diary Dates

July

24th Leaver's Service – 1.30pm
Last day of term

25th INSET

September

3rd INSET
