Reminders

Brambles have been advised to support children to keep themselves safe and to help in an emergency at home. We encourage children to learn their address such as, '1 The Green' and if possible their phone number. The children have been learning the difference between real and pretend and that you only dial 999 in a real emergency.

A polite reminder that mobile phones are **not to be used** in the classroom

Carpet Time

This Week's Learning

We have been learning all about road transport this week and have conducted a traffic survey on the green. We have also practised our road safety and we have designed our own cars. We have used our 'listening ears' to listen for traffic as well as the different sounds we can hear both inside and outside and we tried to recreate the sounds with instruments.

Something Special

Half Term Fun

Next week Brambles is closed as it is half term. Here are some fun and exciting things you can do next week together. Don't forget, Brambles staff like to hear and see all the fun and exciting things you do as families, so please do send in, email photos, etc to brambles@brampton.cambs.sch.uk

Go for a Bear Hunt at the park or act out a story whilst at the park. Whilst in the garden, listen to all the different sounds you can hear. Make a picture from leaves and twigs.

Make a blanket tent for inside or use big boxes as a fort outside. Make some cakes or a sandwich for a picnic in your homemade den. Visit family. Go swimming. Go out for the day. Go for a bike ride. Look for numbers and letters on doors, cars, etc whilst you are out and about.

Don't forget to bring your half term piece of paper back to Brambles when you come back! We would LOVE to see what you have been up to!
