Headteacher's notes...

I would like to start by saying a huge 'thank you' to the PTA committee and parent volunteers who helped with our Summer Fair on Saturday. As a school we really do appreciate all the effort that goes into making these events such a success. The children have also enjoyed a disco this week, thanks to the PTA.

There were some fantastic costumes in KS1 on Monday, from both the children and staff, as they all took part in their 'Explorers Day' and great fun was had in the school grounds. Children in Y3 and Y4 cooked up a stir fry and next week they will be visiting different places around Brampton. Our Reception classes have been to Woburn today and we hope they have all had an enjoyable visit. We have also had our Leavers' Assembly for Brambles children which is always a special occasion for them and their parents. We look forward to welcoming them to Reception in September.

Thank you for all your support as always with all these events.

Please can we remind you to check children's hair regularly for headlice and treat if necessary. Also, please keep them off school for 48 hours after the last episode of sickness or diarrhoea to avoid passing it on. This way everyone can be healthy to enjoy the end of term.

As Mr Rouse is retiring at the end of July we welcome Mr Grady to the school next week. He will be our new Site Manager, working alongside Mr Jarman.

School Games

We were delighted to hear this week that we have been awarded the School Games Gold Mark for 2018/2019. The School Games Mark is a government led awards scheme that was launched in 2012. The aim is to reward schools for their commitment to the development of competition across their school. Thank you to all the staff involved in this.

An exciting summer competition launched this week and is open to Cambridgeshire children who have just finished Years 3, 4 and 5 to celebrate the power of imagination and encourage everyone to reduce and recycle as much as they can.

The winning story will get made into a video by professional animators with the help of its author and their whole class. There is also a prize for a whole class visit to the Waste Management Park in Waterbeach.

We are also running five **FREE** workshops that are being run by professional animators Breadcrumb Media. Learn how animated films are made and create your own short animation using the Stikbot app. Places are limited so book at the library or email your.library@cambridgeshire.gov.uk :
