Monday 3rd December 2018

Dear Parents,

We are fast approaching the end of another memorable term here at Biscovey Academy and, although we still have much to look forward to in the shape of our Christmas Fayre this Thursday followed by year group Christmas productions and the children's Christmas lunch the following week, we want to share with you the news of a great achievement by our pupils this autumn term.

As you may be aware, children at Biscovey Academy can earn house points as individuals which, each week, are collected and counted, with the winning house being awarded the house point trophy. However, all the children also work collaboratively as a school to gain as many house points as possible each half term, which convert to rewards such as extra playtime and an end of term treat.

This term the children's behaviours and attitudes towards their learning have been exemplary and this has resulted in them already smashing their target of 8,000 house points for the term. In fact, they have currently earned **9,686 house points**, with two full weeks still left of the term to gain even more!

We are incredibly proud of all the children and, in recognition of them achieving their target, would like to reward them with a film to be shown in the school hall on the afternoon of Thursday 6th December. Whilst we are keeping the title of the film a closely guarded secret, we hope it will be enjoyed by all as a well-deserved treat!

Thank you for your ongoing support in helping all our children to become successful learners, confident individuals and responsible citizens.

Yours sincerely

Mr M Corbett
