Dear Parents and Carers,

It has been lovely to welcome back the children and to hear their happy memories of the summer holidays. We have also been delighted to welcome the new reception children and their families for what we hope will be a happy and supported time here at Curry Rivel Primary.

We also have some super new staff members who have quickly become part of our team:

~ Mrs Robinson is in Discovery Class with Mrs Samuel – both highly experienced and successful teachers who have been planning a great year for the children.

~ Miss Steer and Mrs Patten have joined us as teaching assistants and both bring experience and ideas from other schools which is always helpful.

~ Miss Abbey Saunter is familiar to many of you already. She knows the school and children well and, if we have any teacher absent, we ask Abbey to come and teach in their place. Her positive and enthusiastic approach is enjoyed by all the children.

Over the holidays, there may have been changes that we need to know about. It would be very helpful if you could check the list below in case new details need to be given to the office. We will be sending out the forms in due course but the sooner we know, the safer we can keep your child.

~ mobile phone numbers in case we need to get hold of you in an emergency or if your child is sick;

~ names of those who can pick up your child after school or who we can contact if we cannot get hold of you;

~ any changes in medical details or allergies;

Today, the KS2 children (Years 3, 4, 5 and 6) have been enjoying a 'Wow' day as a start to their theme 'Exploration'. There have been many excited and inspired children as a result and we look forward to learning fascinating facts over the next term.

We have given you many of the dates for this term and hope that this will help you plan ahead. The sports fixtures' dates should be coming soon once they have been finalised by the CLP organisers. Our first whole school service will be the Harvest Festival on 15 October and we look forward to seeing you there.
