John 10:10

Dear Parents and Carers,

We have reached the end of a very busy half term. It has been great to see the children's enthusiasm for many of the activities that we have done. We are thinking a lot about how we can look after the environment to ensure its continuing beauty and the health of the living things within it. The newly appointed Eco Champions are taking their job very seriously – more of which you can read about in this newsletter.

One of the highlights of this week was a visit from Gary Sharp, a sculptor. He uses recycled objects to make superb models of robot types and animals. We have put more photos onto our Facebook page and website. As a family challenge, can you make a sculpture of a person/robot using recycled materials? We would love to have them in the school grounds for storytelling and fun. Your child will be keen to tell you about their ideas from what they saw this week. It would be great to have them in school for the Curry Rivel Primary Live on Friday 28th June. Good luck!

You may have seen the information about clubs above. There are some new activities – do encourage your child to 'have a go' and find their new talent! I will also be starting a recorder club for anyone in Phase 2 on Tuesday lunchtimes from 12.15noon. The school will be able to supply the recorders. Everyone welcome!

If your child rides to school on a bike, please ensure they wear a helmet.

We have had a lot of sports activities and more to come. Unfortunately, we are missing some kits. Please can you check that you haven't got one lurking and return it if you find one (preferably clean!). Many thanks indeed.

Mrs Frances Burns

Acting Head teacher

Eco Champions Request

This term, the Eco Champions will be collecting crisp packets for the Compass Disability Services who will turn the crisp packets into 'money' which will go towards their charity. Each class will have a box in which to collect their crisp packets. These will be counted up at the end of term and the class with the highest number will receive the Eco Champion award for this term!

Please start collecting them now!

Absences

Some mornings, you may have concerns over whether your child is well enough to come into school or not. We would prefer that you send your child in and either tell or phone the office to explain that your child seemed under the weather. Then all of us can keep a close eye on your child and let you know if they do worsen and need to go home.

Also, if you have kept your child off school and then your child becomes perky and well enough to be in school, you can bring them in at any time. It is far better to do this so that your child doesn't miss their learning and their overall attendance isn't a matter that we have to follow up (as we are officially obliged to do).

Class Cup winners

In **Pippin**: Sienna Fieraband for writing the most amazing independent story.

In **Maigold**: Oliver Hall for such a fantastic attitude to his learning.

In **Gala**: Jacob Peters for having excellent focus in class.

In **Camelot**: Terry McGinley for a great DT project.

In **Blenheim**: William Zhou for such an accurate and effective commentary.

Forest School Award: Karl Ives for writing a lovely song about nature and singing it so beautifully.

Lunchtime Award: Chantelle Johns for always playing so nicely at lunchtime.

Merit Chart winners: Silver awards to Tina McGinley, Beau-Paul Butera and Truly Heseltine. Bronze awards to Isla, Uniacke, Dylan Condon, Alfie Davis, Billy Chaplin and Holly Trott.

Safeguarding

The safety and the happiness of each child are our school's highest priorities. We take our safeguarding duty of the children very seriously. This duty covers many aspects from neglect or physical harm to e-safety and the Prevent Duty.

If you have any concerns about a child's wellbeing or queries about what to do, please talk to Mrs Jo Ward, our designated safeguarding lead or Miss Hollie Westlake, our deputy safeguarding lead or phone for advice or to report a concern to Somerset Direct on 0300 1232224
