

Weekly Diary

Sunday 6 May

United Benefice Rogation Sunday – This 'progressive service' with Reverend Scott will move from church to church as we re-vitalise the ancient practice of offering prayers for a fruitful harvest. Alongside this we shall also be 'beating the bounds' as we pass over parish boundaries, praying for God's protection for the land and those who farm it, but also for our churches and communities.

Plan:1) **Arrive for 9.15** at St Martin's Fivehead for bacon butties, coffee/tea etc. and a 10 minute opening service for prayer, event introduction, and a hymn.

2) **Depart by 9.45** on foot (via the back road) to Swell, short gathering at Fivehead/Swell parish boundary for prayers + hymn/song, pausing at Senga's home for a loo stop as necessary!

3) **Arrive 10.35** at St. Catherine's Swell for a short Family Communion Service.

4) **Depart at around 11am** via the footpath heading towards Pitt Court - beating the bounds moment as we enter the Curry Rivel Parish. After crossing the main road we resume the walk (again on footpaths) to St. Andrew's – our final approach to the church being via Water Street.

5) **Arrive 12.30ish at St. Andrew's** for a final short gathering of thanks and praise where with our last energy we close with a rousing hymn, before joining together for a bring and share lunch in the Old School Room.

Food for the lunch can be delivered to the OSR in advance, 8.45–9am. Dog walkers most welcome throughout.

He came so that we may have life and have it to the full John 10:10

Dear Parents,

I have had a lovely welcome from the children in school and it has been a delight to see the great activities that they are doing. I will be in school two or three days a week and when I am not here, Mrs Ward will be leading the school. We are always happy to meet with you if you have anything you would like to discuss.

In assemblies, we have been thinking about all the things that make the school a happy place. The children have given many thoughtful ideas and we will be using these to start creating a Behaviour Code – something which helps everyone know what is a ‘good choice’. Blenheim Class have been looking out for those good choices and the particular children that are helping the school be ‘a happy place’. We will in time look at clarifying the ‘poor choice’ and what might happen as a consequence. When all these ideas from the children have been sorted, we hope to share them with the parents – perhaps at a Parent Forum in the next half term.
