

Week ending 12th October 2017

This week we have been looking at **m** and **n** in our phonics and have been writing on whiteboards and in our writing books. The children are really getting the hang of the pincer grip. It is still early days, so don't panic if your child is not always forming the letters from the correct starting point. We teach the focus of several letters each week and encourage the children to practise *those* particular letters in class and at home. Next week it will be **g** and **f**.

The children had their flu vaccination this week. They thought the whole process was funny and 'it tickled', so FS2 informed us!

Parents who applied back in July for the EYFS Early Years Grant **must check their emails as from next week**, as you will need to confirm continued approval for the 30 hours grant. Parents need to apply on a quarterly basis.

Please can you ensure that name labels are secure in your children's clothing as we have found many garments un-named and they have ended up in lost property.

Please can you send in your mobile phone numbers if you would like to join the 2nd Hand Uniform WhatsApp group. Our first sale is on Saturday at our Open Day. Please come along!

Poppy Bear will be going home with Molly and Freddy Bear will be Cameron this weekend.

Have a lovely weekend!

Mrs McIver, Mrs Edwards and Miss K Jones
