FS1/FS2 LEA EARLY YEARS GRANT

Dear Parents,

LEA EARLY YEARS GRANT

Every child under the age of 5 years qualifies for the 'LEA Early Years Grant'. [Good news for parents, the hourly rates have increased from £3.86 to £4.15 this year.](#)

This year the grants are as follows:-	<u>15 Hours</u>	<u>30 Hours</u>	
Autumn Term	£871.50	£1743.00	(14 weeks)
Spring Term	£684.75	£1369.50	(11 weeks)
Summer Term	£809.25	£1618.50	(13 weeks)

FS1 - We claim and accept the above grant as payment 'in full' for a nursery place and no additional fees are due from parents.

FS2 – The amounts shown on the reverse page are payable in relation to children in FS2, based on either a 15 hour claim or a 30 hour claim, not everyone will qualify for the new 30 hours claim.

All children will receive a reduction in the first **Autumn Term**, however, fees for both the **Spring Term** and the **Summer Term** will be based on when your child reaches the age of 5, as the LEA early years grant will cease in the term following the term that they reach 5 years of age. Thereafter full school fees will apply at £2100 per term.

I have set out on the reverse of this letter how this will affect your child's fees in **FS2 ONLY** in the 2017/2018 academic year, which is based on both their 'date of birth', and what claim you qualify for either 15 Hours or 30 hours. I hope you will find this information useful in understanding the calculation, which I appreciate is quite complex.

Parents need to go online as soon as possible to establish what grant they will qualify for and I will need your [unique 11 digit code](#) as soon as possible which is issued at the end of your application process online. I will also need a copy of your child's [birth certificate OR passport](#) the [national insurance number](#) of at least one parent and a [signed parental consent form](#), which gives me authority to enter your child's details on the LEA portal when submitting the claim.

This is a new system and we will be learning together through this process! Please if you have any queries or concerns do not hesitate to get in touch, my contact details are shown below and I shall do my best to help you in any way I can.

Kind regards,
Margaret Oates.
