

Home Learning Tasks – Summer Term 2

Year: 3 Albourne CE School

TOPIC: The South Downs

Five ways
to be smart ↓

Choose one activity from the list below.

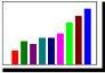

I enjoy reading,
writing &
speaking

Create an information page about an aspect of the South Downs of your choice, e.g. plants, history, geology, wildlife.

Write a poem inspired by your local environment (Albourne, the South Downs, your garden!) to perform to the class.

I enjoy thinking
logically- working
with numbers
& being
scientific

Make a timeline of the history of the South Downs. Use your research skills to find key events and dates associated with the South Downs.

Make observations about what animals or plant life live in your local area and prepare a presentation to share your findings. What adaptations have occurred for these species to thrive in your local area?

I enjoy
painting
drawing
& visualising

Make a colour palette of the colours that you can find in your local environment. You can use photos, sketches or physical objects.

Create a collage of the South Downs using only natural materials.

I enjoy being
active & doing
hands-on
activities

Make a topographical map of the South Downs, or an area of the South Downs.

Grow your own fruit or vegetables at home. Track its growth (using a journal, photos, or measurement) and share with the class.

I enjoy making
& listening
to music

Create a soundscape based on the sounds you can hear in the environment. How can you recreate these sounds?

Compose and write lyrics for your own national anthem.

Please choose at least one activity to complete over this half term. The recommended time to spend on this task is approximately two hours. This can be handed in at any time before Monday 19th July. The children will be asked to share their work with the class over the course of this week.

Please remember that you are still expected to read 5 times a week and complete your reading diaries.
