

## Totnes Learning Community Primary Sport Round Up

Welcome to the round-up of all things sporty and physical for January and February!

### Year 4 & 5 Badminton Competition

The New Year had only just been welcomed in when 22 teams descended upon KEVICC to participate in the second badminton competition of the year. Students competed in teams of 4 and before the games commenced they were seeded by who could complete the most Keep Uppys without dropping the shuttle. So all teams had a 1, 2, 3 and 4 seeded player.

They then played against the same seed in another team, so all 4 players played against the corresponding seed and whoever won the most games won that particular fixture. The standard of play throughout the tournament was magnificent with close games on all courts. The games were expertly umpired by the KEVICC Sports Leaders. Well done to all who took part!

The football season resumed after the Christmas Break and The Grove A continue to lead the way. We are now over half way through the season and although the leaders have extended their advantage to 8 points behind them it is really tight with only 7 points separating second from 6<sup>th</sup>. The next round of fixtures will be after half term and can South Brent, Totnes St Johns, Diptford, Landscope or Harbertonford catch the runaway leaders? Still plenty of games to go and the race for the playoffs is well and truly on! Current standings and pictures are below.

## Handball Festivals

At the start of February KEVICC hosted two Handball Festivals and in total over 300 Year 5/6 Primary School pupils from South Brent, Dartington, The Grove, Totnes St Johns, Diptford and Broadhempston attended and participated in this terms focus sport. The festival was held on the Astro turf from 10-12pm and the Year 10 Sports Leaders led activities which enabled the participants to work on their passing, dribbling, gameplay and team work. Each individual workshop lasted for 15 minutes then pupils rotated around so they could have a go at all of them. Primary students were awarded stickers for a variety of positive attributes

that they had shown throughout the day including knowledge, demonstrating skills, helping others and effort amongst many others. Feedback from Primary students and staff at the events has been fantastic.

### Year 5/6 High 5 Netball

Wednesday 22nd February saw the final qualifying event for the Devon Winter School Games take place at Stover School. Twelve year 5/6 teams took part in the High 5 Netball tournament and battled it out for the top two spots that would take them through to the County round next Wednesday. In the pool game's each team had five matches and results were close throughout. In pool 1 there were lots of drawn games and in pool 2 the top positions had to be decided on goal difference. Each team then played a playoff match to decide upon their final position in the tournament. In the match for 3rd and 4th place Bovey Tracey beat Blackpool A to take the bronze. The final itself was end to end stuff and at the final whistle Bradley Barton had won gold by just one goal leaving Ilsington A as silver medallists.

## Young Play Leaders Conference

The second Young Play Leaders Session of the year was held on Tuesday 17<sup>th</sup> January. Year 5 & 6 pupils from 18 primary schools worked alongside teachers, LSA's and MTA's in a range of activities to help promote active playtimes both in fine and wet weather. This session's particular focus was Intra School Competition so students were shown how to run the famous "Cup Stacking" and "Cup Pong" Competitions. The DSSP is looking for the best cup pong players in the whole partnership so I have attached the details of this competition in a separate document. The deadline to post your schools results is the last day of the Spring Term to Sue Brown at [sbrown@southdartmoor.devon.sch.uk](mailto:sbrown@southdartmoor.devon.sch.uk) Good Luck!
