

Courage, Joy, Kindness, Perseverance, Responsibility
Newsletter - 26th January 2018

E-Schools

If you can, please download the new free eSchools Parent App. This will allow us to send free texts to you which will save the school money. Thank you for your help with this.

E-Safety Assemblies

Next Tuesday, Peter Bowen from the South West Grid For Learning will deliver age appropriate E-safety sessions to our children to help them know how to stay safe online.

KS2 SATS Meeting

We are running a SATS information evening for all Year 6 parents / carers on the 14th March at 6.30pm. Please do come along to find out what to expect and tips for helping to prepare your child for the tests.

KS1 Assessment Evening

This information evening will be on Monday 19th March at 6.30pm and is aimed at all Year 2 parents / carers to provide you with information about the year 2 assessments.

Medicines Policy

As part of our new policy we are no longer allowed to administer 'over the counter' medicines that are not prescribed.

Staying Hydrated

Please can we encourage all children to have a water bottle in school. We want our children to stay hydrated and it is much easier and more sanitary for the children to have access to their own water bottle in class. These can be bought from the office for £1.20 if preferred.

Sickness

If your child has been sick or had an upset stomach they should not be in school until 48 hours after the symptoms occur. Please help us to reduce the level of sickness in the school by sticking to the 48 hour guidelines.

Car Park

Please make sure that you and your children do not walk through the car park; we have taxis that arrive at drop-off and pick-up time and it's important that we are keeping our children safe.

Slime Sale and Chocolate Tombola

On the 9th February the Science Club will be running another slime sale after school as well as the Chocolate Tombola. All proceeds will go towards the Goblin Electric Kit Car Fund.

Walking Bus

Please do make use of our walking bus - this service really helps reduce the congestion in the morning and should help you make a speedier get away so that you can start your day. A Walking Bus is a line of children walking in pairs along a safe route with an adult 'driver' at the front and an adult 'conductor' at the back, our Walking Bus is manned by school staff and sets off from the library at 8.45am.

Lost Locket

A locket has been found on our playground that looks like it has sentimental value (there is a photo inside). Please let us know if it is yours.

Have a super weekend!
