Dear Parents/ Carers,

## RE: School closure for COVID-19

We are NOT closing yet but in the event of school closures, we would like to notify all parents/ carers of the following:

### Duration of the closure:

In the event of closure this will be notified on the school website, Facebook and whole school text – please check in for updates as to when we are open again. Do not assume we are closed unless you hear officially from the school leadership team.

### Facebook and school website:

This will be updated regularly with notifications for parents/ carers with further information on the school closure.

### Emergency contacts:

In the event of an emergency, you can contact Mrs Cotterill on the school mobile: **07903135762**  
Should you require family support you can contact the **Early Help Hub**. The EHH identifies the most appropriate Early Help service for a child or young person aged from pre-birth up to 18, or 25 where young people have special educational needs or a disability: **01872 322277**  
Should you wish to report a concern about a child or family, you can contact the **MARU** (Multi Agency Referral Unit). The MARU provides a multi-disciplinary response to concerns about the welfare or safety of a child or young person. The multi-disciplinary team also provides advice and guidance to parents and professionals about the wide range of services available to children and families in Cornwall. You can contact them on: **0300 1231 116**

### Foodbank:

The foodbank is a community project to support families who are in need in terms of financial crisis or hardship. If you need their services, please go along with identification and let them know which school your children attend.

**Tuesday:** 10am – Midday

St Columba's Church, St Columb Minor, Newquay, TR7 3EY

**Friday:** Midday – 2pm

St Michael the Archangel Church, St Michael's Road, Newquay, TR7 1RA

**Saturday:** 10am – Midday

The Oasis Centre, 26A Fore Street, St Columb Major, Saint Columb, TR9 6RH

### Learning for your child/ children whilst they are at home:

All classes have planned learning that has been provided for them by their class teachers. This can be accessed by logging into e-schools. Your child's login is shown at the back of this booklet. The details of these activities can be found on the e-schools platform. Please see all activities within this booklet. In the eventuality we will be closed for a longer period of time, the e-schools platform will be updated with further learning for your child/ children to access at home. This will go live from the announcement of closure.

If you have any concerns/ queries over the next few weeks, please do not hesitate to contact us through the usual channels.

Yours sincerely

Nikki Cotterill
