10th June 2019

Dear Parents and Carers,

We have booked for a company called Prime VR (**originally due to visit in February**) to come and deliver a virtual reality experience day at our school on Friday 28th June. In Year 5, we are currently learning about Earth and Space and it would be great to be able to 'virtually' transport our pupils into orbit.

We think this is a fantastic opportunity for our pupils and will help to bring their learning to life. We are extremely fortunate to have been funded £200.00 towards the costs of this visit from FOBS. We are asking parents for a voluntary contribution of £3.00 per child to help fund this amazing experience. **You may have already paid for the originally planned visit in which case you do not need to send any more monies.**

In addition, we will be inviting parents in throughout the morning to take part in the virtual reality tour with their child. If you cannot make it, your child will still take part in the VR event. Please note the session times for your child's class:

Swordfish Class 9.00 – 10.00

Porpoises Class 10.00 – 11.00

Dolphins Class 11.00 – 12.00

(Please note: it is recommended that pupils with epilepsy do not take part in the virtual reality experience. If your son/daughter has epilepsy, please inform your child's teacher).

Please complete payment via ParentPay by FRIDAY 21ST JUNE (if not already done so) and return the slip below and return to your child's class teacher by Monday 17th June.

We are looking forward to a wonderful visit!
Yours sincerely,

Mrs Kathryn Donnelly, Mrs Julie Jenkin, Mrs Kiddle and the Year 5 team.

.....
I give permission for my child:

Name _____ Class _____

to take part in the **Year 5 Virtual Reality Visit**

I have paid the £3.00 required for the visit via ParentPay Yes/No

I would like to attend the workshop with my child Yes/No

Signed Parent/ CarerPrint Name.....
