Berry Hill Primary School takes the issue of child safety extremely seriously, and that includes the use of images of children. It may be that, for personal or other reasons that you do not want an image of your child to be taken for publicity purposes, eg the school website, School Bulletin, Newspapers etc. It is very important that you make your wishes clear by completing the statement below: Please note that this does not apply to any professional/class/individual school photographs taken of your child/class for your own use. Neither Berry Hill School, nor Gloucestershire County Council, has any control over images/photographs taken of children at school, or Before & After School Club by other parents/guardians for their own private use, eg, school concerts, sports events, educational visits etc.

I DO / DO NOT (Please circle your choice) give permission for any image or photograph to be taken of my child, whilst at Before / After School Club, or whilst outside of school whilst representing the school, for use in the public domain.

I DO / DO NOT (Please circle your choice) give permission for my child to take part in local walks, eg, to Berry Hill Orchard.
