COATS!

WEATHER IS WET!

All children should bring coats in to school each day as we endeavour to go outside as much as possible and damper weather needs weather appropriate clothes. No-one stays in even if their don't have coats; stay under shelter which can be a little less fun than racing and playing with friends.

ONLY BRING IN WHAT IS ASKED FOR
Children have been bringing in their own cards, toys and 'things' from home. If an adult has asked for items to be brought in, then that is great. However, other personal items should remain at home as special items breaking or getting lost causes confusion and upset.
So keep own, personal items at home unless you have been asked for them by an adult.

MENTAL HEALTH WEEK

This week we acknowledged the importance of Mental Health in children as well as adults
On Thursday 10 October 2019, following a whole school assembly by Mrs Stevens, we took an hour to do activities that we felt best suited our classes.

Taking time to relax, reflect and unwind is very important for us all.

Another message is that we should **Talk to a trusted adult**
- if we have a worry, share it. What may seem small to one person, may be really important to another.
