

English

In our narrative work, we will be using a range of 'seaside' themed stories to explore writing non-fiction text. We will carry on consolidating various forms of punctuation such as full stops, question marks and exclamation marks. We will also be focusing on learning Phase 5 phonics and spelling the days of the week.

Science

We will continue to look at the changing seasons and thinking about how the weather and lengths of day change too!

Computing

We will be creating algorithms through unplugged activities. These are activities which use our computational thinking without the use of computers or electronic devices.

Year 1

Term 4 Curriculum Newsletter

Topic: Seaside

Theme

RE: We will be following our whole school theme of 'Salvation' and learning about Palm Sunday. We will also be creating Easter 'Jardins'.

Design Technology: This term we will be looking at how to make a simple sandwich and the skills and tools needed for this.

Art: We will be building up our pencil control and sketching skills by drawing & painting pictures of the seaside

Music: Our musical focus this term is pitch. We will be exploring how to make rhythms and chants both as a class and in groups.

History: We will look at the changes within living memory and how Hastings looks different now than in the past!

PSHE: We will be focusing on being Healthy.

Home Learning

It is important that the children read for 15 minutes **every day**. Key words will be sent home for the children to learn and practise reading.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school **EVERY** day and on time. Thank you.

Mallydams

This term the children will be visiting Mallydams woods.
1JT: 4th March, 1RM/LB: 5th March, 1HI: 6th March.

General Information

Staff: Miss Tanner, Miss Blackman, Ms Mould, Miss Isden, Mrs Palmer, Mrs Longworth, Mrs Newman
PE Kit: Your child will need their PE kit every week. Please ensure this is named. PE is as follows: 1HI: Wednesdays, 1JT: Thursdays and 1RM/LB: Fridays.
Reading Record book: Please ensure this is in school every day.

Maths

We will continue looking at numbers up to 100. We will also begin to look at length and height and volume and capacity this term.
