

English

In our narrative work, we will be using a range of 'Pirate' themed stories to explore rhyme and poetry. We will be looking at adding suffixes to the end of root words (-er, -est, -ing.) We will also be learning about using descriptive words to make our writing sound exciting!

Science

We will be looking at everyday materials and looking at how we can classify these materials. We will also be continuing to look at the changing seasons.

Computing

We will be learning how to program 'Beebots' to follow simple instructions and co-ordinates. We will be using this newly learnt skill to go on a digital treasure hunt! We will also learn how to copy and save multiple images onto Word.

Year 1

Term 3 Curriculum Newsletter

Topic: Pirates

Home Learning

It is important that the children read for 15 minutes every day. Key words will be sent home for the children to learn and practise reading. We will be providing a new home learning grid for this term which will include lots of activities for the children to complete throughout the term.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Thank you.

Forest Schools and BMX

Forest Schools sessions this term: Thursday 9th January 1HI, 16th January 1CD, 23rd January 1RMLB.

BMX sessions this term: Thursday 9th January 1RMLB and 1CD, Thursday 16th January 1HI.

General Information

Staff: Miss Dadson, Miss Blackman, Ms Mould, Miss Isden, Mrs Palmer, Mrs Wade and Mrs Newman.

PE Kit: Your child will need their PE kit every week. Please ensure this is named. PE is on **Wednesday for 1HI, Thursday for 1CD** and **Friday for 1RM/LB**. This term the children will be developing their gymnastic skills.

Reading Record book: Please ensure this is in school every day.

Theme

RE: We will be following our whole school theme of 'Revelation' and learning about the Young Jesus as well as stories He told.

DT: We will be designing and making a boat which will need to float by itself on water.

Geography: This term we will be asking the question "Why do we like being beside the sea so much?" We will identify and describe main physical and human features of seaside environments; discuss why it is important to protect our coast and also describe popular activities undertaken at the seaside.

Maths

We will be continuing to add and subtract using numbers 0-20. We will also be looking at place value, working with numbers to 50. We will consolidate skills learnt this term including reading and writing numbers to 20 using numerals and words.

PSHE

We will be talking about our goals and how we can aspire to achieve them!
